

Hello from *Lazarus Naturals*,

Thank you for your interest in our product line. We are excited about the future of our industry and the opportunities available for our retail and wholesale partners. CBD extracts are growing in popularity every day as consumers discover CBD's health and wellness benefits.

Our goal is to provide quality CBD at a price that anyone can afford. Our current effort to expand availability into retail stores creates a great opportunity for the local small businesses we partner with. We work to promote the benefits of CBD products and make them available to those who need them. Our retail and wholesale partners are critical to this effort; we appreciate your interest in our products and look forward to building a lasting, mutually beneficial relationship with you. Please take a moment to review this welcome packet and fill out and return the requested information and documents, if applicable.

Thank you,

Additional application needed before terms will be granted. Minimum order quantities may apply.

Payment in full is required prior to shipment of first order. Thereafter, Lazarus Naturals will invoice at the time of shipment. Payment must be made within terms stated on invoice.

Accounts more than 60 days late will be suspended and possible legal action taken until payment in full is made.

Lazarus Naturals reserves the right to modify the terms of this agreement at any time, especially but not exclusively in the case of NSF check or payment that does not clear, in order to maintain the integrity of the reseller partner account.
